CARIÑENA VIÑAS VIEJAS 2017

Our winemaking technical team together with Joey Tensley, named "Santa Barbara winemaking star" by Wine Spectator have captured the unique character of the Cariñena from Cariñena, birthplace of the variety, by selecting small parcels of 40+ year old vines from the many diverse terroirs in Grandes Vinos portfolio of vineyards. Head-pruned old vines, handpicked and aged during 4 months in French Oak barrels.

Powerful ruby red color with violet notes and great aromatic intensity where the notes of ripe and floral fruits are mixed with minerals, slate, graphite and mountain herbs. It's very intense in mouth with soft tannins and a present and lively acidity with great concentration and personality.
