

IDENTIFIED

Wine critics and writers have identified California's Lodi appellation as the 'Zinfandel Capital of the World'. With vineyards planted as far back as the 1880s, Lodi's sandy soils and Mediterranean climate allow the grapes to ripen to perfection and produce bold, aromatic Zins.

Our full-bodied yet perfectly balanced *2018 Identified Lodi Zinfandel* displays pronounced, slightly smoky aromas of cherry and cocoa. On the palate jammy dark berry flavors are complemented by complex notes of licorice, chocolate and a hint of oaky vanilla. The layered finish displays well-integrated tannins and a mouth-watering fruity acidity.

We recommend pairing this boisterous Zinfandel with grilled meats or Indian eggplant curry.

Cellar notes

pH: 3.82/ TA: 5.8
