Vinification

Small property located right in the heart of the Pauillac Grand Crus Classés area, this vineyard benefits from a high quality terroir and has been handled with care and passion by Mr and Mme Capdevielle.

We took over the winemaking and ageing of this wine in order to bring it the latest modern techniques. This wine is aged in oak barrels.

Tasting

Mainly made from Cabernet Sauvignon, this is a powerful wine with blackcurrant and ripe fruit aromas melted with toasty notes due to the oak barrel ageing. The tannins guarantee the good evolution of the wine.

Serving suggestions

This wine is excellent with both red and white meats, game and cheese.
