

# 5TH AND BOWIE

## PASO ROBLES BOURBON BARREL AGED CABERNET SAUVIGNON

### *Brand Story*

5th and Bowie celebrates the American spirit epitomized by legendary frontiersman Jim Bowie. We've broken the rules of tradition, aging our wine in bourbon barrels for three months, saluting Bowie's Kentucky heritage and rebellious attitude.

### *Vintage*

A mild spring and warm summer in Paso Robles resulted in an abundant harvest for 2017. The region's signature extended hang time intensified fruit flavors, deepened tannins and allowed the Cabernet grapes to fully express their varietal character for a rich and pleasing wine.

### *Winemaking*

The Cabernet grapes for our Bourbon Barrel edition hail from various vineyard sites throughout Paso Robles. Diverse soil types, hot days and cool nights, along with a long growing season help us make a wine that's rich in texture and flavor.

### *Tasting Notes*

Rich aromas of blackberry, black cherry and brioche lead to a bold wine brimming with black fruit, baking spices and backstrap molasses. Expressive tannins blaze a trail for a round and extended finish. Enjoy with a spicy beef and bean chili or peppery Szechuan Green Beans.
