

MOONLIGHT

MEADERY

THIRTEEN 5 - 13.5% ABV

This New England Style Hard Cider (see BJCP) is made from the finest New Hampshire apples that are available to us, usually a blend of Cortland, McIntosh, Gala, and Red Delicious varieties. We blend the fresh-pressed cider with a touch of honey and natural sugar before we let it ferment and age American Oak Foeders that were seasoned with Rye Whiskey.

Flavor: Sparkling semi-sweet apple fades to oak and bourbon character with acidity to dry out the finish

Mouthfeel: Medium viscosity with mild alcohol character

Aroma: Crisp apple, mild oak, forward alcohol notes

Appearance: Clear golden color with fine bubbles

Ingredients: Apple cider, water, honey, sugar

Available in 4pks of 375 ml cans:

858703005118
