

# POMEGRANATE

## Made from 100% pomegranates

No sugar added. Not as sweet as Zinfandel or Reisling, it is a refreshing white wine alternative.

A perfect accompaniment to spicy dishes,  
may be served chilled.

*Pomegranate fruit is known as the  
number one anti-oxidant*

### The New York Times

“Pomegranate wine from Armenia has plenty of peppery tartness and a sweet fruitiness that enriches the naturally winy taste of pomegranate.”

“Sample something that is both trendy and harks back to ancient aphrodisiacs. Pomegranates have re-emerged as a sensual element in contemporary cuisine.”
